

Dear Parents/Guardians/Students,

Sherbrooke Community School has an Instrumental Music Program. Instrumental music lessons are **free** and available to **Years 2 to 12**, depending on numbers. (N.B. Due to an inequitable funding policy, priority is given to secondary students.)

Tuition is available for the following instruments:

**Guitar, Bass guitar, Drums, African Drumming, Keyboards & Vocals**

Lessons take place on a weekly basis in the **Cottage** building and go for about **30 minutes**. Students will be required to come out of class and attend their lesson. Students are welcome to use the school's instruments during their lessons. Students who are unable to fulfill the expectations of the instrumental music program will forfeit their place. It is very important that students have access to an instrument at home. Parental/guardian support is highly recommended and much appreciated. Support includes providing a suitable practice space, time, reminders, and encouragement.

Please complete the details below and return **signed form** to your music teacher or office.

**Name:**..... **Year level:**.....

**Instrument:**.....

**Students must sign this section.**

I wish to enroll in the Instrumental Music Program at Sherbrooke Community School.

I undertake to:

- Practice daily
- Participate in all ensemble rehearsals and performances
- Attend all lessons
